Our Member Appreciation Month

Every year, we commit ourselves to showing our members how much we appreciate them. This year we upped our game! We dedicated the month of August to be Member Appreciation Month! Our first appreciation event was in the Community 1st Tacoma branch with a coffee and donut day. We continued the Member Appreciation theme with coffee and donut day in the Shoreline and Bothell branches. We then celebrated our annual Member Appreciation BBQ at the South Seattle branch. The following week we

hosted another Member Appreciation BBQ for the Olympia branch and ended the month at the DuPont branch with a coffee and donut day.

The celebrations were fun for everyone involved. We opened up the celebrations to each branch to extend the opportunity for more members to be a part of the fun and see how much we appreciate you. We had plenty of food, drink and giveaways for every member.

We were happy to hold the Olympia BBQ at the long awaited future new branch site located in downtown Olympia. We were proud to give tours and talk about the exciting future for everyone using the Olympia branch.

We were so excited to meet everyone at each event and we look forward to showing you all our appreciation next year.

Holiday Loans are Back!

Take some of the stress out of your holiday shopping with a Community 1st Holiday Loan! Our Holiday Loan is similar to our Signature Loan, except we offer a 1% discount to make the holiday season easier.

We have terms up to 12 months available! Your rate is subject to your credit history and our normal

loan rates, minus the 1.0% discount. This offer is valid October 1, 2019 through December 31, 2019 and cannot be combined with any existing holiday loans.

Have you ever thought about running a credit union?

Your credit union is a not-for-profit, democratically controlled financial institution. Unlike the Board of Directors at a bank, where the shareholders elect the Directors based on how many shares of stock they own, a credit union's Board is elected by its members. One member, one vote. That means you! Each Director has a voice in the management of the credit union.

Serving on a credit union Board or its Supervisory Committee is an exciting opportunity to participate in the governance of a financial institution and to make a difference in your community. The nominating committee of Community 1st Credit Union hereby announces the following positions are up for election in 2018. Open positions may or may not have an incumbent running.

Board of Directors: #5, #6 and #9

Supervisory Committee: #3

Duties: The Board of Directors oversees the credit union's operations, helps create and manage the business and strategic plan, and ensures that the credit union keeps our members as the top priority. The Supervisory Committee is the financial watchdog for the credit union and is responsible for ensuring that the credit union's Board of Directors and management team follow practices that safeguard our members' assets.

Elections will be held at the Annual Meeting in the Spring of 2020.

If you are interested in learning more, please contact Alison Cory at (253) 722-5212, ext. 1170. The nomination process closes for new entries on February 20th, 2020, so don't delay!
