

Merger News: Your New Benefits!

As many of our members already know, Community 1st Credit Union merged with Generations Credit Union in December of 2018. This merger has allowed our credit union to grow stronger. Integration steps are just beginning and our members have already had an opportunity to enjoy the new benefits of our combined organization:

New Scholarship Options: Both Community 1st Credit Union and Generations Credit Union have been offering scholarship opportunities to members for many years. Now we have brought them together allowing more opportunities to fund our members' education.

Combined Products: Through the integration process, we are able to offer our members more diversity in our financial products. Generations' legacy members now have access to mortgage and home equity products through Community 1st! You can now open your HELOC or refinance your mortgage and keep all of your accounts together under the Community 1st umbrella. In addition, Community 1st legacy members now have access to specialty lending, including solar and HVAC loans. This will allow us to serve our members more efficiently and offer financial solutions to fit all of your needs.

As the integration process continues, our members will continue to see innovative products and many positive changes. Stay tuned for more updates!

Community 1st in the Community - 4th Annual Hoops for Heroes

On March 7th, AUSA hosted their 4th annual Hoops for Heroes fundraiser. Hoops 4 Heroes is a basketball game where local First Responders face off against JBLM Soldiers to raise money for AUSA. The Soldiers won in 2016 and the 1st Responders won in 2017 and 2018, so this nail-biting rematch was one not to be missed!

The fundraiser was for the benefit of the Association of the United States Army (AUSA), which is a non-profit organization that represents the voice of

the Army on Capitol Hill. They provide education and support for soldiers through financial and program support including the Single Soldier Program and Suits for Service Members.

This year, the First Responders took home the trophy! This game also raised over \$4,000 for AUSA, which will go directly to the Soldiers they support. Community 1st was honored to be able to sponsor and actively participate in the planning and execution of this event.
