## TRUTH-IN-SAVINGS DISCLOSURE

## EFFECTIVE DATE: January 09, 2023

## ACCOUNT DISCLOSURES

Except as specifically described, the following disclosures apply to all of the accounts. All accounts described in this Truth-in-Savings Disclosure are savings accounts.

1. RATE INFORMATION - The annual percentage yield is a percentage rate that reflects the total amount of dividends to be paid on an account based on the dividend rate and frequency of compounding for an annual period. For Savings, Kids First Savings, Holiday Club, IRA Savings, Education IRA Savings, 1st Class/Capital Checking, 1st Select/Primetime Checking (50 \& over), and

1st Priority Checking accounts, the dividend rate and annual percentage yield may change monthly as determined by the Credit Union's Board of Directors. For Money Market accounts, the dividend rate and annual percentage yield may change at any time as determined by the Credit Union's Board of Directors. The dividend rates and annual percentage yields are the prospective rates and yields that the Credit Union anticipates paying for the applicable dividend period.
2. NATURE OF DIVIDENDS - Dividends are paid from current income and available earnings after required transfers to reserves at the end of the dividend period.
3. DIVIDEND COMPOUNDING AND CREDITING The compounding and crediting frequency of dividends and the dividend period applicable to each account are stated in the Rate Schedule. The dividend period is the period of time at the end of which an account earns dividend credit. The dividend period begins on the first calendar day of the period and ends on the last calendar day of the period.
4. ACCRUAL OF DIVIDENDS - For all earning accounts, dividends will begin to accrue on noncash deposits (e.g. checks) on the business day you make the deposit to your account.
5. BALANCE INFORMATION - Some accounts may have minimum opening deposit requirements. The minimum balance requirements applicable to each account are set forth in the Rate Schedule. For 1st Class/Capital Checking accounts, there is a minimum daily balance required to avoid a service fee for the dividend period. If the minimum daily balance requirement is not met during each day of the dividend period, you will be charged a service fee as stated in the Schedule of Fees and Charges. For 1st Class/Capital Checking accounts, there is a minimum daily balance required to earn the annual percentage yield disclosed for the dividend period. If the minimum daily balance requirement is not met each day of the period, you will not earn the annual percentage yield stated in the Rate Schedule. For accounts using the daily balance method as stated in the Rate Schedule dividends are calculated by applying a daily periodic rate to the principal in the account each day.
6. ACCOUNT LIMITATIONS - For Holiday Club accounts, the entire balance will be transferred to another account of yours on or after November 1 and the account will remain open. If you withdraw from your Holiday Club account, you will be charged a fee as disclosed in the Schedule of Fees and Charges. However, no fee will be charged if the withdrawal occurs within seven (7) days of the date the account is opened. For all other accounts, no account limitations apply.
7. FEES FOR OVERDRAWING ACCOUNTS - Fees for overdrawing your account may be imposed on each check, draft, item, ATM transaction and one-time debit card transaction (if member has consented to overdraft protection plan for ATM and one-time debit card transactions), preauthorized automatic debit, telephone initiated withdrawal or any other electronic withdrawal or transfer transaction that is drawn on an insufficient available account balance. The entire balance in your account may not be available for withdrawal, transfer or paying a check, draft or item. You may consult the Membership and Account Agreement and the Funds Availability Policy Disclosure for information regarding the availability of funds in your account. Fees for overdrawing your account may be imposed for each overdraft, regardless of whether we pay or return the draft, item or
transaction. If we have approved an overdraft protection limit for your account, such fees may reduce your approved limit. Please refer to the Schedule of Fees and Charges for current fee information.
For ATM and one-time debit card transactions, you must consent to the Credit Union's overdraft protection plan in order for the transaction amount to be covered under the plan. Without your consent, the Credit Union may not authorize and pay an overdraft resulting from these types of transactions. Services and fees for overdrafts are shown in the document the credit union uses to capture the member's opt-in choice for overdraft protection and the Schedule of Fees and Charges.
8. MEMBERSHIP - As a condition of membership, you must maintain at least one deposit account or loan with the Credit Union.
9. RATES - The rates provided in or with the Rate Schedule are accurate as of the effective date indicated on this Truth-in-Savings Disclosure. If you have any questions or require current rate information on your accounts, please call the Credit Union.
