

# BORROW VISA PLATINUM

## THE PLATINUM ADVANTAGE

Some financial institutions make platinum cards an exclusive offer to status-conscious cardholders. Not so at C1CU, where every member approved for a Visa® card receives platinum—providing them with higher credit limits, a lower APR and extra benefits. We even offer credit protection coverage for unforeseen events that could effect your credit rating and family.

With credit lines from \$500 to \$25,000, our Visa Platinum card has **no annual fee**, maintains the same rate for cash advances and purchases and offers competitive rates as low as Prime Rate + 7.65% APR\*.
