

IMPORTANT: PLEASE READ

Community 1st Credit Union has been working diligently to reopen our doors to the public. Many precautions have been put in place such as plexiglass germ shields and enhanced cleanliness procedures. Despite the best efforts from our community, COVID-19 cases are once again on the rise. Our pandemic team has been meeting regularly and has decided that for the safety of our staff and members, we will continue to keep our lobbies closed until it is deemed safe to open them. We want to remind you that while our branches are closed, we are still working hard to serve you in any way possible. We will continue to process your deposits, answer your calls, and assist you as always. If your business must be done in person, please call to set up an appointment. We will make any reasonable accommodations to fulfill your needs.

ALL MEMBERS & GUESTS ARE REQUIRED TO WEAR A FACE COVERING IN THE BRANCH

WE RESERVE THE RIGHT TO ASK YOU TO REMOVE YOUR FACE COVERING FOR IDENTIFICATION PURPOSES

- We ask that you continue to conduct transactions online or in the drive-thru when possible
- Please follow social distancing requirements
- For everyone's safety, a maximum of 2 members will be allowed in the branch at a time, appointments will be set to follow this guideline.

Please note that due to the unpredictability of COVID-19 the above message is subject to change at any time.

Continue to monitor our website and Facebook page for real time updates regarding our tentative reopen!
