### Where?

Online Webinar

We will be hosting our Annual Membership Meeting on November 12<sup>th</sup>, 2020. Due to COVID-19, we are doing things a little differently this year. For the health and safety of our members and staff, this year's meeting will be held as a virtual webinar.

You'll have an opportunity to meet your CEO, Bill Paulen, and the volunteers that serve on our Board of Directors and Supervisory Committee. We will discuss our achievements from 2019 and 2020, share the vision we have for your credit union's future, and showcase our plan for

success in the coming year. We will show you first-hand the importance of putting our members' needs above all else!

At this meeting, we will choose our next Board and Supervisory Committee representatives. The annual meeting is a great way to get to know us not only at the branch level but also to meet the management team and other members of your extended Credit Union community. We look forward to seeing you! Every Community 1<sup>st</sup> Credit Union member and their family are invited!

Keep an eye on our website, branches, Facebook page, and your email for updates and additional details.

**Holiday Loans & Skip-A-Pay Are Back And Better Than Ever!**

With the holidays fast approaching, we are happy to announce the return of our Holiday Signature Loan & Skip-A-Pay promotion. Similar to what we've offered in years past, only better! Community 1<sup>st</sup> Credit Union is offering 2.5% off of our best signature loan rates! That is a full 1.5% more savings than previous years.

Avoid the added holiday stress to your budget, and don't be fooled into racking up purchases on those high-rate retail credit cards. Buy your gifts with a Holiday Signature Loan from Community 1<sup>st</sup> Credit Union. Our terms are simple; borrow up to \$2,500 to help you pay for gifts, trips to grandma's house, or the biggest Spiral Baked Ham at the grocery store. Then, over the following year, pay us back in small, easily managed payments.

If taking out a personal loan isn't for you, skip your monthly auto loan payment instead. For a one-time fee of \$25, you can free up those funds to make this holiday season even more joyful.

**Car Buying Made Simple**

Visit Community 1<sup>st</sup> Credit Union before you visit the dealership. Take the stress and uncertainty out of dealer financing by getting pre-approved before you visit the dealership. It's simple and efficient. Once you're pre-approved, it's time to start shopping! All you need to worry about is whether or not you need that upgraded sound system. Visit our website to begin the pre-approval process. You will be well on your way to driving away from the dealership with your new ride. Get ready for that new-car smell!
