

WE WERE FIRST, SO YOU COULD BE

Founded in 1925, we're Washington state's first credit union — making a positive difference in the lives of our members for over 80 years.

At C1CU you're a member-owner, not a customer which means you share in the collective earnings through preferred rates, limited fees and advancements in financial services. We're cooperative, local, member-owned and not-for-profit. We're committed to this community-based banking model for a more prosperous future for a greater number of people. It's a proven option, with over 82 million Americans banking with NCUA-protected credit unions.

Membership is only \$5 and is open to all Washington state residents.

BE A MEMBER-OWNER, NOT A CUSTOMER.

Switching to C1CU is easy. Just bring in a current checking statement and we'll use our handy Switch Kit to help move over your direct deposits, automated payments, bill pays and more. We go the extra mile, so you can be on your way to enjoying the benefits of membership.

DEPOSITS ARE INSURED BY NCUA

FACT: *Not one dollar of NCUA-protected money has ever been lost by a credit union member.*

Similar to the FDIC insurance offered by traditional banks, the National Credit Union Administration (NCUA) is backed by the full faith and credit of the U.S. Government. The NCUA symbol is your guarantee that at least \$250,000 of your money is safe.
